

PROGRAMMES - 2016/2017

Updated December 2016

LONDON BOROUGHS

Working with the local authorities, NLA examines how the inner and outer regions of London are accommodating growth. A major Insight Study in Autumn 2017, focuses on London's town centres in zones 3-6.

- London's Towns, Autumn 2017 Insight Study and associated events
- Borough strategy exhibition
- Borough-led area tours
- Regular programme of talks, think tanks, online content

Programme champions: CBRE, Countryside, GL Hearn
Programme supporter: Tobermore

PLANNING

Focusing on the next London Plan, this programme explores the rapidly changing shape of London, and how to plan for growth.

- Big Debate on the London Plan, Q1 2017
- Regular programme of talks, think tanks, online content

Programme champions: Argent, British Land, CBRE, Future Cities Catapult

INTERNATIONAL DIALOGUES

NLA's International programme fosters cross-city dialogues and learning, and explores London's global role in architecture, engineering and consultancy.

- London Global Design Hub, Spring 2017 Insight Study and associated events
- International conference and London Festival of Architecture programme
- City exchanges and video seminars
- Regular programme of talks, think tanks, online content

Programme champion: KPF

NLA ON LOCATION

The capital's major areas of change and opportunity come under the spotlight at regular events held 'on location' across London

INSPIRING WOMEN

NLA's Inspiring Women programme celebrates, promotes and profiles women working across the built environment industry.

- Regular programme of networking events, mentoring sessions, roundtables, profiles, online content

Programme champion: Mount Anvil
Programme supporters: Conisbee

NEXT GEN

Supporting and promoting young talent across the industry, and championing the professional development of London's future leaders.

- Regular programme of networking events, mentoring sessions, roundtables, profiles, online content

Programme champion: Gardiner & Theobald
Programme supporter: Buro Four

LEARNING

NLA's learning programme aims to inform school children, Londoners and visitors about new architecture, design, engineering and placemaking in the city. Using the New London Model in the NLA Galleries as centrepiece, the programme includes regular free talks, schools workshops, public walking tours and exhibitions.

NLA ANNUAL LECTURE SERIES

One of our biggest events of the year and a headline event of the London Festival of Architecture, the Annual Lecture presents the biggest names in London architecture and development. Past speakers include David Chipperfield, Thomas Heatherwick and Turner Prize-winning collective Assemble.
