

PROGRAMMES - 2017

Updated October 2017

LONDON BOROUGHS

Working with the local authorities, NLA examines how the inner and outer regions of London are accommodating growth. A major Insight Study in Autumn 2017 focuses on the future shape and role of London's outer urban centres.

- London's Towns - Insight Study and associated events, Autumn 2017
- Borough Strategies permanent exhibition
- Borough-led area tours
- Regular programme of talks, think tanks, online content

Programme champions: Access Self Storage, ARUP, CBRE, Genesis Housing, GLA, Countryside, Keepmoat, TFL
Programme supporters: CGL, Lendlease, MICA, Stitch, Tobermore, WSP

INTERNATIONAL DIALOGUES

NLA's International programme fosters cross-city dialogues and learning, and explores London's global role in architecture, engineering and consultancy.

- London Global Design Hub Insight Study and associated events, Spring 2017
- International conference and London Festival of Architecture programme
- City exchanges and video seminars
- Regular talks, think tanks and online content

Programme champion: KPF, Diamond Schmitt Architects, WICONA

TALL BUILDINGS

Annual survey looking at the planning, development, impact and design of new tall buildings.

- Annual NLA Tall Building Survey and MIPIM launch event

Programme champion: GL Hearn

PLANNING

Focusing on the next London Plan, this programme explores the rapidly changing shape of London, how to plan for growth and where and when development should take place.

- Smart Cities conference
- Green Belt roundtable discussion

Programme champions: Argent Related, British Land, CBRE, Future Cities Catapult
Programme supporter: AECOM

CONSERVATION & RETROFIT

Exploring trends in conservation, retrofit and creative use of existing buildings.

- Annual conference

CULTURE

New cultural buildings, affordable spaces, and strategies across the city.

- Annual talk

EDUCATION & HEALTH

Examining the future development, funding and design of London's education and health sectors.

- Annual conference

HOUSING

How can London deliver the quantity and quality of housing it needs. A regular programme examining new methods of construction, delivery, design and funding across all housing tenures.

- Bi-annual conferences
- Regular programme of talks, think tanks, online content

Programme champions: GL Hearn, Peabody
Programme supporters: AECOM, Countryside, MSMR, Virgin Media
