

Office interiors

Analog Folk HQ

20 Rosebery Avenue,
Clerkenwell, Hackney, EC1

Progressively adding layers to this office space by utilising 'found' objects in a creative way, the design responds to the client's mission of using digital technology to make the analog world better.

Built

Completion: May 2015

Client: Analog Folk

Architect and Category B Fit-out: Design Haus
Liberty

Office interiors

Camden Collective

Collective Temperance
Hospital, 110 Hampstead
Road, Camden, NW1

Revitalising a vacant building prior to its future demolition, this project provides free hot-desking space and subsidised offices for over 300 co-workers, to promote regeneration in the Euston area in advance of the HS2 link.

Built

Completion: January 2016

Client: CTU Community Project and High Speed 2 Ltd.

Funder: Camden Town Unlimited and The Mayor of London's High Street Fund

Design/Build Team: Co-DB & RARA

Masterplan Consultant: Sheppard Robson Architects

Office interiors

King's Cross Road

172-176 King's Cross Road,
Islington, WC1

Preserving the character of this former hostel, this scheme recycles existing materials to provide commercial office space in a highly economical way.

Built

Completion: June 2015

Client: Atlas Property Letting & Services Limited

Architect: HUT

Office interiors

Sea Containers

18 Upper Ground,
Southwark, SE1

Providing space for 2,300 workers, this scheme provides a diverse range of office spaces arranged over 11 floors, and gives each company its own 'front door' to their personalised space.

Built

Completion: September 2015

Client: Ogilvy Group UK, MEC, WPP

Architect: BDG architecture + design and Matheson Whiteley

M&E/Sustainability Engineer: Arup
